

141 Villa Ecolo

A modern three bedroom villa built using local and natural materials and located in a peaceful hamlet. There is plenty to see and do on the doorstep yet this a quiet and secluded spot for a relaxing holiday.

Photos from top: the exterior; the living room; double bedroom

Three Reasons to Choose Villa Ecolo

- Stylish, contemporary villa, built using local and natural materials and for low energy consumption
- Peaceful woodland location close to local walking trails; short distance to shops
- Landscape and activities of the Landes on the doorstep, as is medieval heritage of the Gironde, with Bordeaux and ocean beaches within easy day-trip distance

Location

Located in a wooded hamlet of five villas, about 17kms from Bazas. Bordeaux Merignac airport is about 45 minutes away.
